ONCE AGAIN—HEAVY WEIGHT FARM FENCE AVAILABLE

Kitselman's popular horse-high, pig-tight HEAVY WEIGHT Farm Fence can now be bought in many sizes and styles, with stays either six, eight or twelve inches apart. Prompt shipment direct from Factory at freight-prepaid prices.

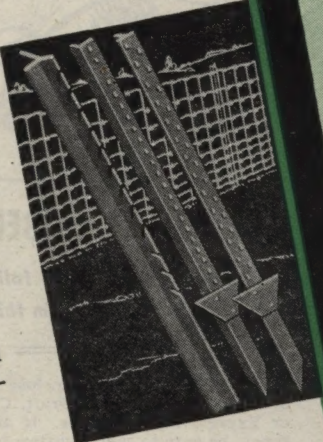

Turn to pages 3, 4 and 5 for complete description and freight-prepaid prices of Kitselman STIFF-STAY and HINGE-JOINT Farm and Hog Fences.

INCREASE LIFE OF FENCE WITH STRONG STEEL POSTS

No post holes to dig—no stapling or wiring necessary—if you use Kitselman's famous Y-type Steel Posts with Jiffy Fasteners. These rot-proof, fire-proof, weather-proof Steel Posts drive easily and straight and go into the ground extra deep.

Turn to page 8 for complete description and freight-prepaid prices of Steel Line Posts, Corner, End and Gate Posts.

PROTECT FENCE AND FARM WITH TOUGH BARBED WIRE

One or two strands of Kitselman Barbed Wire above your fence will prevent stock from "riding" it down and help keep out trespassers. Made in our own factory, it comes to you BRAND NEW. All wire used is zinc galvanized. Heavy weight types again are available. We recommend the use of at least one strand of barbed wire above all fence.

Turn to page 7 for description and freight-prepaid prices.

KITSELMAN BROTHERS, *Since 1883* - Muncie, Ind.

WE PAY THE FREIGHT

**PRICES IN THIS CATALOG
ARE ALL YOU PAY**

When you buy from our Catalog, you know exactly what your order is going to cost. Our prices are delivered prices. **WE PREPAY THE FREIGHT** on every order of \$10.00 or more to your nearest railway station.

This saves you the annoyance of paying the freight when shipment arrives; protects you against possible freight over-charges; removes any uncertainty as to final cost.

There are no extra charges. The prices quoted in this Catalog are all you pay. We assume full responsibility for delivery to your nearest railway station.

GREAT VALUES IN FARM NEEDS

Farm and Poultry Fence, Steel Posts, Barbed Wire, Paints, Roofing, Hay Tools, Barn Equipment, Stock Feeders, Poultry Supplies, Etc.

Kitselman Brothers save you money on a number of articles in daily use on the farm—all high-grade merchandise produced in accordance with Kitseman quality standards.

Check and compare the values offered in this Catalog! We are confident you will agree that they are outstanding both in quality and price. Then send us an order for your needs! An order blank and return envelope are enclosed.

KITSELMAN BROTHERS' MONEY-BACK GUARANTEE

You may enter your order for any items in this Catalog with complete confidence that the quality must be as you expected or your money will be refunded. If for any reason you are not satisfied with any purchase you may make from us, all you have to do is return the merchandise at our expense and we will refund every cent you have paid.

BUY AT THESE LIBERAL TERMS

You may use any of the following plans in ordering goods from this Catalog:

CASH WITH ORDER—Enclose full amount with order in form of Bank Draft, Check, Post Office or Express Money Order. If amount is in currency, be sure to send registered mail.

C. O. D.—You may, if you wish, send one-fourth of total amount with order provided order totals \$10.00. Railroad company will handle collection of balance through its freight agent when shipment reaches destination. Or, if you prefer, designate Bank or Express Office through which we may collect balance.

CERTIFICATE OF DEPOSIT—Deposit full amount of bill with your banker and have him fill out and sign a Certificate of Deposit, showing that amount is to be remitted to us if the purchase proves satisfactory after 30 days' trial. Send signed Certificate of Deposit to us with your order.

Prices for goods in this Catalog are for delivery freight prepaid by us in quantity mentioned, to freight station nearest the postoffice to which Catalog was mailed.

All prices given are Strictly Net. They are not subject to any discount for cash or otherwise.

KITSELMAN'S FAMOUS STIFF-STAY Hog and Farm Fence

THESE economical, money-saving Hog and Farm Fences are made of one-piece stay wires, locked to the line wires by the famous Kitselman Knot which leaves no ends exposed to rust. This type construction is preferred by many users because it is more rigid. All wires are zinc galvanized.

Challenge Hog and Farm Fence

Kitselman's CHALLENGE Fences are made in both the 12-inch stay and 6-inch stay styles. Top and bottom wires are No. 11; line and stay wires, No. 14 1/2.

For use with any type stretcher. Malleable iron; strong swivel eye. Grips smooth or barbed wire.

Price each, prepaid . . . 49 cts.

We Pay Freight on Orders of \$10.00 or More.

FAMOUS Y-TYPE POSTS

with Jiffy Fasteners

CUT DOWN FENCING COSTS

By using Kitselman LONG LIFE "Y" type Posts with the Jiffy Fasteners, you take the drudgery out of fence building, stop back-breaking post-hole digging, erect fence in one-fourth the time. They drive like stakes, easily and straight. No stapling—no wiring necessary.

ROLLED OUT OF TOUGH RAIL STEEL

Kitselman Long Life Posts are rolled out of tough, strong, long-lived, railroad rail steel. Stronger than most steel posts because of the reinforced "Y" design. Years of tests show that they do not frost-heave.

Long Life Posts are designed to drive into the ground deeper than the average post. This extra ground depth makes for stronger, sturdier fences—and longer fence service.

CONSTRUCTION

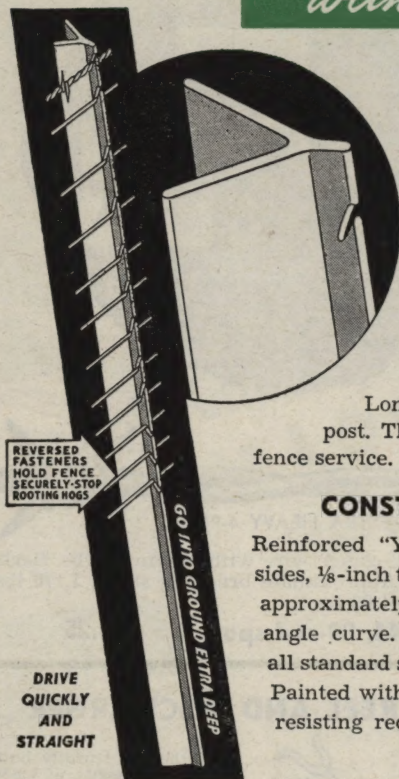

Reinforced "Y" design, 1 3/4-inch sides, 1/2-inch thick at outer edges, approximately 1/4-inch thick in angle curve. Jiffy Fasteners fit all standard styles of field fence. Painted with durable, weather-resisting red metal paint.

FREIGHT PAID PRICES

Length of Posts	For Fences Up to	Average Weight	Price Each

EXTRA VALUES in QUALITY ROOFING

COMPO ASPHALT ROLL ROOFING

Made of tough, durable felt saturated with asphalt and pressed into a compact weather-resisting roof covering. Designed for poultry houses, implement sheds, temporary buildings and other structures where economy is a factor. Widely used for celery bleaching and mulching, for protecting cement bags, newly laid concrete, or machinery in the open, for temporary floor coverings, etc. It is a good idea to keep a roll or two about the farm for emergency use.

COMPO is alligator finished both sides. Made in 35-pound weight only. Rolls contain 108 square feet. Each roll covers 100 square feet. Galvanized nails, $\frac{1}{4}$ -inch long, and lap cement are furnished FREE with each roll. To lay roofing over shingles, order $1\frac{1}{4}$ -inch nails and add 10 cents to price of each roll.

DUPLEX MICA-COATED

Made of highest grade wool roofing felt, thoroughly saturated with special asphalt to insure long-time service. Coated BOTH SIDES with flake mica. Waterproof and sun-proof. Baffles ice and snow with the same sureness that it resists heat, smoke and acid. Every roll guaranteed to be standard, first quality.

For permanent roofs on all types of buildings, use heavier weight DUPLEX Roofing. For less permanent roofs, such as on sheds, poultry houses, etc., 35-pound DUPLEX makes a durable, yet inexpensive roof.

All rolls are 36 inches wide and contain 108 square feet. Each roll covers 100 square feet. Galvanized nails, $\frac{1}{4}$ -inch long, and lap cement, are furnished FREE with each roll. To lay roofing over shingles, order $1\frac{1}{4}$ -inch nails and add 10 cents to price of each roll.

KITSELMAN SLATE-SURFACED

KITSELMAN Slate Surfaced Roll Roofing is GUARANTEED to be as fine a roll roofing as modern skill can produce. Its heavy felt base is made of selected, tough, rag fiber. Every fiber is thoroughly saturated with high-grade asphalt. Genuine crushed slate in natural colors is securely embedded in the asphalt to give it lasting beauty. It is sun-proof, weather-proof, fire-resisting. Approved by Fire Underwriters.

KITSELMAN Slate Surfaced Roll Roofing weighs 90 pounds per roll and is 36 inches wide. Each roll contains 108 square feet, and covers 100 square feet. Large head galvanized nails, 1 inch long, and lap cement are furnished FREE with each roll. To lay roofing over old shingles, order $1\frac{1}{4}$ -inch nails and add 10 cents to price of each roll. Choose from four colors: Red, Green, Blue-Black or Color Blend.

KITSELMAN'S STANDARD BARN PAINT

Paint Now . . . and Save!

You can save real money on Standard Red Barn Paint at our low prices. And, you get a paint that goes farther, covers better and lasts longer than many paints selling at higher prices.

Every gallon of Kitselman Standard Red Barn Paint is made from materials of dependable quality, ground and mixed according to a tried and proved formula.

This paint—like all other paints in our line—is sold under our Money-Back Plan. You may open any can in the shipment, give the paint any test you wish, and if it does not come up to your expectations in every way, send the unused portion right back at our expense and we will refund all the money you have paid for it. **Made in Red only.**

TRACTOR and IMPLEMENT ENAMEL

Protect your tractors, trucks and farm implements with this economical, high-grade enamel! Defies weather, resists rust, adds to the life of your machinery.

Made of high-quality materials. Produces tough, durable gloss finish. Its use at regular intervals costs you little, keeps your implements spic and span, pays big returns. Furnished in brilliant Red and Green.

1-quart can.....**76 cts.** 1-gallon can....**\$2.59**

KITSELMAN'S HI-TEST BARN PAINT

**Superior in Quality
... Low in Price
White and Colors**

If you want highest quality Barn Paint—if you want rich, bright, durable colors—if you want protection for years to come—buy Kitselman HI-TEST Barn Paint, equal in quality to many house paints on the market!

HI-TEST Barn Paint is made of high-grade materials, ground and mixed in accordance with time-proved formulas. Because of its heavy, rich pigment and its pure linseed oil, it goes farther, covers better and lasts longer than many paints costing considerably more.

Test It At Our Expense

You may test Kitselman HI-TEST Barn Paint any way you wish, and at our expense. Just send us an order for what you need! Open any can in the shipment and apply a portion of the content. If it fails to satisfy, ship the unused portion back at our expense and we will refund every cent you have paid.

Your choice of *White, Red or Big 4 Yellow*, all at the same low price.

PRICE!**

Only
\$2.79
per gallon
in 5-gal. pails
FREIGHT PREPAID

WARRANTED FIRST GRADE

Goes Farther—One gallon of Kitselman Purolin Pure Linseed Oil House Paint covers 400 square feet of surface—two full coats.

Wears Better—Convincing out-door tests prove it wears better, retains its color and lasts longer, in all climates and under adverse atmospheric conditions.

Lasts Longer—Outlasts lead and oil. Does not crack, blister or peel. Leaves excellent surface for repainting.

Works Easier—Flows on easily; spreads evenly. No experience necessary to do good job with this high-grade paint.

Hides Better—Because of its splendid hiding power, one coat often does the work of two, and two coats the work of three. Two coats of the brilliant White hides dark colors.

Costs You Less—(1) You save on the original purchase price. (2) You buy fewer gallons because Kitselman Purolin paint goes so much farther. (3) You can save \$25 to \$100 by doing the work yourself because it is so easy to apply. (4) You need not paint so often because this Pure Linseed Oil Paint gives years of lasting protection.

Try It at Our Expense!

You need not take our word for the high quality of this better House Paint. Send us an order for your paint needs! Open a can of the Paint at home and put it to any test you wish! If you don't pronounce it the greatest paint value you ever found, send the unused portion right back at our expense and we'll refund all the money you have paid! It won't cost you a cent.

Paint Now and Save!

Our prices often save you \$1.00 or more per gallon. Now—while prices still are low—is the time to paint. Choose from this splendid array of colors:

KITSELMAN'S PEERMIX HOUSE PAINT

SAVE WITH CONFIDENCE!

High in quality—yet low in price—PEERMIX House Paint gives you splendid coverage, excellent hiding power, ease in working, long and satisfactory wear. Users say it is the equal of, or superior to many paints that retail for as high as 30 to 40 per cent more.

Don't confuse PEERMIX with ordinary cheap paint! It is made of high grade materials, thoroughly ground and mixed with Linseed Oil in accordance with a formula that has proved itself over a period of years. One gallon will cover 300 or more square feet of surface, two coats, under normal conditions. It flows readily, brushes out evenly and gives you a finished job of which you may well be proud.

Try this paint at our expense, if you wish! Send us an order for your needs! When the shipment arrives, open a can and test it by applying some of it! Test it alongside of other paints! If you are not thoroughly satisfied, send the unused portion right back at our expense and we will refund the full amount you have paid!
